

Marysville

Alex wins Overall Advanced in the Marysville Ohio contest. He won the Known flight, the Freestyle flight and was 2nd in the Unknown. His Freestyle flight won with the outstanding score of over 91%!

While we were there, Caleb and Brian gave us a tour of the incredible NetJets facility over in Columbus, Ohio.

Here we are toasting in a Falcon 2000 and Alex on the stick in a Cessna Sovereign.

Alex looks good in the front office and Dad is ready for him to fly them to Europe! This is really an amazing operation and its easy to see why Warren Buffet bought the company- they really know what they are doing!
